Communication:

Education is a partnership between home and school. We value parent involvement at every level and encourage you to partner with us. In order for this partnership to be effective, we need to be able to communicate.

Please feel free to call, write a note, or email us if you have concerns or questions about your child’s education or well-being. We are always available to schedule a conference to discuss any issue or concern you have regarding your child.

A folder will be used for daily communication. We will send papers, notes, family activities, etc. in these daily. Please send these back to school every day! If you have any notes, doctor excuses, schedule changes, or anything else that we would need to see, please put them in the folder. We check folders daily!
